ROBERT LEE GREEN CONNELLY
July 24, 1932—October 14, 1967

A spirit of loyalty to St. Mary's and her students since 1960,
A mixture of manliness and boyishness,
A culmination of high ideals and compassion,
A devotee of eight stage productions at St. Mary's,
A symbol of love and understanding;
An aura of appreciation for each day of his life,
A nimbus of admiration as advisor for the Class of 1968,
A majesty of excellence in his understandings—small or large,
A smile of sincerity for all those whom he encountered;
A tragedy of Mr. Antrobus' role being played by another,
A reminder of the never-ceasing dependability which he inspired,
A remembrance of the ephemeral, snuffed-out candle in the chapel on that solemn October afternoon,
A memory of a friend who will live forever in our hearts . . .

Plays

St. Mary's proved its theatrical worth once again with the excellent production "The Skin of Our Teeth", a universal story capturing the struggles and hardships of life. The Commencement Play, "The Imaginary Invalid", a humorous satire on the medical profession, was also a great success closing the curtains for another year on the St. Mary's stage.

St. Mary's concert series this year has presented a variety of interesting programs. Agnes deMille, choreographer, director, and member of one of the nation's most famous dramatic families, spoke to us on the "Cultural Explosion" that this country has been experiencing the last twenty years. On the subject of "British Influence on India During the Nineteenth Century", our speaker was Dr. Robert I. Crane, a well-known scholar and diplomat, presently at Duke University, Durham. Then St. Mary's had the pleasure of being entertained by the University Players of the National Players Touring Company who presented the Chinese play "The Lute Song". Godfrey Sperling of the Christian Science Monitor *concluded the series with a lecture on "The 1968 Presidential Candidates".*

Among men's dreams none is more beckoning than the second chance. Just to say those words which ought to have been said. Just to take back those words we wish we had not said. Just for a last look or touch. Just to lessen the horror of death's finality.

ORGANIZATIONS

The unifying factor at St. Mary's is the Student Government

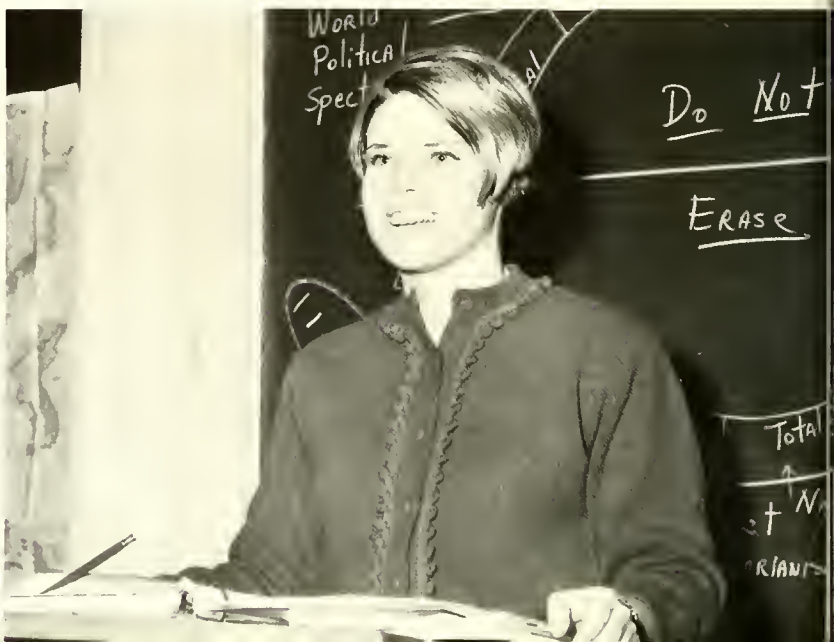
CAROLYN BERTIE, Chairman of Hall Council.



Association, which plays an important part in all aspects of our lives.

JULIET SMITH, Vice President.

DERIN UYANIK, Day Student's President.

The Student Government Association at St. Mary's helps each girl to develop high ideals of citizenship. High ethical standards and firm moral integrity in all aspects of student life are obtained through confidence and belief in the principles of the Honor Code. The officers of the Student Government Association, the President, the Vice President, the Secretary, serve as a link between the faculty and the student body and between the faculty and the administration. Under the jurisdiction of the Student Government Association are the Honor Board, the Hall Council, and the Legislative Body.

When a girl arrives at St. Mary's, she becomes not only a member, but a vital part of the Association. Through the cooperation and sincere interest of each member, the Student Government Association can function in the best interest of the students and the school.

The Honor Board is an essential part of the Student Government Association at St. Mary's. The student's life on campus is based on the honor system. The members of the Honor Board administer the oath of the honor code to each girl at the beginning of the school year. The students swear that to the best of their ability they will uphold the rules and beliefs of the honor code at all times.

The Honor Board consists of four student representatives: one Senior, two Juniors, and one member representing the Freshmen and Sophomores. The President, Vice President, and the Secretary-Treasurer of the Student Government Association serve on those same positions on the Board. The President of the college appoints three faculty members each year. This year the faculty members are Mrs. Nancy Smith, Miss Brewer, and Mrs. Williams.

ANN POLLARD, Secretary of Hall Council.

CHERI JONES, Assistant Secretary of Hall Council.

The Student Government officers were good sports at the Junior-Senior Halloween party.

The Legislative Body's main purpose is to consider and possibly pass any necessary changes in Student Government rules or in the Constitution. Students may have petitions signed in order to begin the process of these changes. This branch is composed of members of the faculty and student representatives.

The Legislative Body is composed of Marty Eskridge, Mattie Simmons, Sara Chamblee, Lu Dixon, Peabody, Jo Betts Barrett, Bev Kreiser, Sealy Cross (pictured), Carolyn Bertie, Eloise du Bose, Derin Uyanik, Mary Holden Harrell, Jane Marzoni, Secretary, Juliet Smith, President, and Miss Richardson, Miss Jones, and Mrs. Zepp, Faculty Advisors.

Hall Council keeps students regularly informed about new rules and decisions.

Hall Council, a vital part of the Student Government Association at St. Mary's, is composed of a Chairman, Secretary, Assistant Secretary, three day students, and two counselors from each dormitory hall. All student offenses and regulations not handled by the Honor Board are under the authority of the Disciplinary Committee and or Minor Offense. These are the two main divisions of Hall Council.

The counselors are chosen at the end of each school year for the coming year. They have the difficult task of helping new girls become adjusted and advising them in their problems.

Carolyn Bertie, Chairman, conducts Hall Council each Tuesday night.

At Weekly hall meetings, the students have an opportunity to ask questions and express their opinions.

At the beginning of each school year the New Girls are divided into Sigmas and Mus, the sports teams, during Sigma-Mu tap-out. St. Mary's girls support these teams through participation in the various sports, through being cheerleaders, and through rooting from the sidelines. During the school year, the Sigmas and Mus compete against each other in many different events. The team gaining the most points at the end of the year receives a plaque. A basketball team composed of both Sigmas and Mus plays teams from Peace, Meredith, and Carolina. The sponsor of the athletic events is Miss Lou Jones.

The Letter Club is an honorary athletic organization at St. Mary's. A girl may attain membership in it by making all-stars in two different sports or by accumulating 100 points, 40 of which must be earned by making an all-star team and a first team in any sport.
